Anastasia Drobotun

FRONT-END DEVELOPER

PORTFOLIO SITE

ABOUT ME

5+ year experience in Front-End Development. I have experience in developing sites of template and design type: landing page, corporate sites, online stores (WordPress + Woocommerce, Magento, Opencart) and individual projects (React)

Focus on Front-end tasks mostly using core JavaScript, JavaScript libraries, and modern frameworks (React, Vue)

OBJECTIVE: Work on exciting projects in a team with technologies (VUE.JS, REACT.JS).
